# What is Phonics?

A method of teaching beginners to read and pronounce words by learning to associate letters or letter groups with the sounds they represent.

There are 44 main sounds in the English Language. Each sound is represented by a grapheme (the written representation of a sound).

# What is Phonics?

**Phoneme:** the smallest single identifiable sound in a word. For example, in the word 'cat' there are three phonemes c/a/t.

**Grapheme:** the written representation of a sound.

**Digraph:** two letters making one sound. For example, /sh/ in the word 'shop'.

**Trigraph:** three letters making one sound. For example, /igh/ in the word 'night'.

**Split digraph:** two vowel letters split but are split by one or more consonants. For example, /a-e/ in the word 'cake'.

# What is ELS?

Essential Letters and Sounds (ELS) is our chosen phonics programme

Children will experience the joy of books and language whilst rapidly acquiring the skills they need to become fluent independent readers and writers.

# How do we teach phonics?

- We use a simple, consistent approach to teaching phonics.
- We have mnemonics and rhymes to support learning and recall
- We teach phonics every single day from the first days of Reception

# How do we teach phonics?

- Phonics throughout the day to review new sounds & graphemes taught
- Lots of opportunities for oral blending- /c/ /oa/ /t/
- We teach the 'code' for reading, alongside teaching vocabulary.

# Supporting your child with reading at home

- Only 1 in 3 children are read a bedtime story night
- Reading a bedtime story every night to your child improves their outcomes
- If your child views themselves as a 'good reader' when they leave Primary School they are more likely to earn a higher salary in their 40s.

# Supporting your child with reading at home

- Children are only reading from books that are entirely decodable
- Your child should be able to read their book confidently
- We only use pure sounds when decoding words (no 'uh' after the sound)
- We want them to practise reading their book 4 times across the week working on these skills:

decode

fluency

expression

# Supporting your child with reading at home

We want children to create a strong orthographic map. This means that they learn sounds spelt by the letters or groups of letters in each word.

To read fluently, or well, we need a strong orthographic map.

To consistently recognise that the <ea> in bread spells /e/ we need to read it at least 4 times. This means we need to read the word many times to build fluency for reading.

# Pronouncing pure sounds

We must use pure sounds when we are pronouncing the sounds and supporting children in reading words.

**c a t**

**not**

**cuh a tuh**

If we mispronounce these sounds we will make reading harder for our children.

There are videos for this on our school website where you can hear the correct pronunciation of the sounds.

# Supporting your child with writing at home

You can use the spelling sequence with your children at home to support them with their writing.

Let's try this with the word: rain

We also practise saying our sentences before we write them to make sure we write the sentence we have planned and to ensure it makes sense!
