

Friday 5th September 2025

Welcome Back!

We were thrilled to welcome our children back this week. They have settled back into school life brilliantly. We also saw our 'smallest' of seeds in our EYFS class completing their very first days at school; we are so proud of the courage they showed in make that big first step!

We marked the start of the new school year with our traditional mustard seed worship, in which we plant mustard seeds and reflect on our own journeys of growth 'from the smallest of seeds to the largest of plants'.

Letter from Regional Director

We were honoured to receive a letter from Lucy Livings, South West Regional Director for Schools, congratulating us on our fantastic Ofsted inspection.

Within her letter, Lucy wrote: *'I was particularly pleased to read about the opportunities to lead such as becoming house captains, 'play leaders' and librarians. It was also great to see that teachers are working well with the new curriculum and this is helping to ensure consistency and structure. I look forward to seeing Watermoor Church of England Primary School continue to develop and thrive in the future'.*

We continue to strive for excellence and move forwards to enable everyone at Watermoor to grow and flourish.
