

Dear Families,

Thank you to all those who have already taken a moment to complete the parent survey. We really do use this to find out what is working well and how we might further improve our school experience for children and their families. If you haven't yet had the chance to fill it out, please be encouraged! There is a comments box at the end where you might like to share some personalised feedback about an aspect of school life which is particularly effective, or even a 'shout out' to be passed onto a member of staff. It should only take a couple of minutes to complete, please follow this link to get started: <https://forms.office.com/e/DpNKA5xLVC>

### Governor Drop-In

Our governors will be in our school foyer with tea, coffee and cake on Monday 31st March from 9—9:30am. They would love to meet you, have a chat about their role and how they support our school and find out what is important to you as part of our community. Please do come and say hi.

### Mr Halliwell is raising money for our school!

We are excited to share that Mr Halliwell is raising money for FOW by taking on the challenge of cycling in the renowned *Tour de Flanders* on Saturday 5th April. Known for its challenging cobbled roads and steep hills, Mr Halliwell will have his work cut out, Luckily, he has been cycling to and from work to make sure he is ready!

He is hoping to raise money for FOW to go towards play-ground equipment for the children to make play time even more exciting. Good luck Mr Halliwell!

Children are also encouraged to take part in the fundraising fun with a 'Bring your Wheels to School' day on Monday 3rd April, when they can bring their bikes, trikes or scooters in for some playground activities at various points throughout the school day.

If you'd like to sponsor Mr Halliwell's bike ride or 'Bring your wheels to school' day, please follow this link: <https://fow.sumupstore.com/>

### Sickness

A few mild but unpleasant germs have been making their way around the school this week. A reminder that if your child is sick or has diarrhoea, they must not come to school for 48 hours after the LAST episode. This means they must have stopped being sick or having a bad tummy for the equivalent of 2 days before returning to school. Upholding this policy helps to stop the spread between both children and staff! Thank you for your cooperation.
