

Dear Families,

As a C of E school, we are approaching a very important time in the Christian calendar. One of many ways that we will celebrate Easter this year is by holding an **art competition**, organised by our Art Lead Mr Kelly.

Entries should be no bigger than an A4 piece of paper, be able to be hung as part of a display and be based on the theme of Easter. The winning entries will be displayed in the Welcome Zone. Winners will be chosen from each year group.

Entries will cost £1, payment can be made via ParentPay (this will go live on Monday 17th March) and should be given to their class teacher with their name and year group written on the back, by no later than Friday 11th April. All money raised will help raise funds for some art supplies, as well as raise the profile of art in the school. For more information, please speak to Mr Kelly. Good luck!

### Parents' Evenings—Save the Date

Apologies once again for any confusion with the booking form for parents' evening dates. The dates remain as **Tuesday 18th and Thursday 20th March**.

A reminder that during the week of parents' evening, the week commencing 17th March, there will be **no teacher-led clubs** (breakfast and after school club will run as normal). We will run one more week of clubs the following week; the 8-week spring term clubs will then stop on Friday 28th March.

### Request for Wrap-Around Care

Miss Tish is asking for donations of board games for breakfast and after-school club. If you have any that you can no longer make use of, please drop them off at the main office. They should be age-appropriate and complete (no broken or missing pieces please).

### E-Safety

Roblox is now the world's most popular gaming platform, with 40% of players below the age of 13. It can be lots of fun for children to play, but it is important that parents and carers understand the risks, including accessing explicit or harmful content through its games, alongside multiple reported allegations of bullying and grooming. This article with the CEO of Roblox, Dave Baszucki, is illuminating: <https://www.bbc.co.uk/news/articles/c5yrjkl7dd6o>

### Key events this week:

Mon 17th March		No teacher-led clubs
Tues 18th March	Parents' evening	
Wed 19th March	Y5 swimming	
Thurs 20th March	Parents' evening	
Fri 21st March		

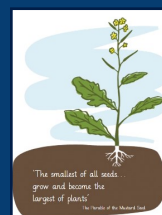

Best wishes,

Mrs Smith  
Headteacher
