

Staffing Updates

We are thrilled to announce that Dr Kirsty Wallis will be teaching in Y2 on Mondays from January onwards! Dr Wallis is a familiar and friendly face at Watermoor and has extensive teaching and leadership experience. She has already met the class.

We are sad to report that Miss Ward is leaving us at the end of this term. We wish her the very best going forwards.

We will be advertising for a few new roles in the new year, including a Learning Partner and Breakfast Club Worker; keep an eye out for the adverts if you are interested in working with a warm and welcoming team and helping our children to grow and flourish.

Governor Updates

A huge thank you to Mike Culver, who supported the school as a parent governor all the way through its journey of improvement. We are deeply thankful for his involvement and wish him well.

We are delighted to announce that, following an election, Sam Grunfeld has been appointed as our new parent governor. Sam will be commencing this strategic role in the new year.

Staff Achievements this Year

A big congratulations to several teachers at Watermoor who have been awarded completed 'National Professional Qualifications' (NPQs) this year, supporting their ongoing training and development:

- Miss Nobbs has been awarded the **NPQH** (Headship)
- Mrs Montgomery and Mr Halliwell were both awarded the **NPQSL** (Senior Leadership)
- Mr Kelly and Miss Burgham were both awarded the **NPQLT** (Leading Teaching)

Watch this space for more qualifications on the way....
