

Dear Families,

KS2 SATS

We have been beyond proud of our amazing Y6s who sat their tests this week. They showed incredible courage, resilience and responsibility throughout. No matter the outcomes of the tests, their growth was evident for every adult who had the privilege of supporting them this week. Well done!

We Are So Proud Of You

Colour Run

The colour run has now sold out! There are no tickets available on the door tomorrow. Thank you for all your support with this exciting event. Don't forget your white t-shirts and goggles tomorrow!

Save the Date—Sports Day and the Summer Fair

We are looking to run our whole-school sports day on the afternoon of Friday 13th June, with the summer fair straight after school.

Building Positive, Respectful Relationships

Our Y6 class spoke with real depth of understanding to Mrs Stranack, our DGAT Regional Effectiveness Lead, about behaviour at Watermoor, explaining how children treat each other with respect and kindness and that any problems or disagreements can be sorted by talking to adults, sharing how they felt and agreeing about how to put it right.

They are going to lead class workshops next week sharing their insights with other children in school. A lovely way for our 'largest of plants' to nurture our 'smallest of seeds'.

As a trauma-informed school, we use restorative approaches in supporting children with their behaviour. This video explains it beautifully: <https://www.youtube.com/watch?v=gJJxbn1VjYo&t=26s>

RESTORATIVE APPROACHES

Key events next week:

Mon 19th May	
Tues 20th May	
Wed 21st May	Y4 swimming
Thurs 22nd May
