

Curriculum Vision and Intent

At Watermoor C of E Primary School, just like mustard seeds our children grow and flourish from promising beginnings into successful, confident and capable individuals. Our curriculum is underpinned by our vision and incorporates our Christian Values of courage, respect, hope, forgiveness, compassion and responsibility.

We have designed an **ambitious** and engaging curriculum from pre-school to Year 6, underpinned by Development Matters guidance and the National Curriculum framework, which supports children to grow and flourish in all subjects.

In response to our unique context, children explore and respond to **diverse** thoughts, ideas, experiences and beliefs from people and places that are different to their own, fostering a sense of being part of a global community.

We deliver a curriculum that is **inclusive**, accessible, and relevant to the needs and interests of our pupils.

We plan a range of **immersive** and engaging trips and experiences across the curriculum to enhance children's learning, understanding and engagement.

As a Church of England school, our curriculum supports the **spiritual** development of our children. We use the language of 'Ows, Wows and Nows' to pause and reflect upon ourselves, our relationships with others and with the world in which we live.

Writing

Our Writing curriculum has been carefully planned and sequenced, with knowledge, skills and understanding building progressively to ensure that children reach their fullest potential.

From the moment children begin school in EYFS, they make marks to represent spoken sounds and words. This foundational skill evolves into letter formation, word-writing, and the construction of simple sentences. As they progress, children are encouraged to express their ideas through a variety of text types, which gradually increase in complexity and introduce more advanced language features. This progression helps develop their grammar skills. We are committed to embedding a high standard of writing across all areas of the curriculum.

The Jane Consodine scheme is place from Year 1 to 6, and is delivered through sequences of lessons with clearly defined objectives, knowledge and vocabulary, supported by a range of high-quality texts and resources. To support effective learning, we employ a variety of teaching strategies including collaborative discussion and spaced retrieval to meet the diverse needs of our pupils. We encourage cross-curricular links to deepen understanding and show how different subjects relate to each other.

Assessment is embedded throughout the learning process, with regular checks on progress to inform teaching. Teachers provide timely feedback to pupils, ensuring they have the support they need to make progress and feel confident in their learning. They use assessment to inform adaptations which provide additional support or challenge.

Impact

The impact of our writing curriculum is reflected in children's progress and attainment. We assess children's progress using assessment tools such as independent writes and Sonar Tracker. We also evaluate the development of children's engagement, curiosity and attitude to learning in this subject, as well as how it supports their wider personal and spiritual development.
