## Atlas Sports

We are delighted to have Atlas Sports working with us this year. Atlas work with many schools across the county delivering the PE national curriculum to a high standard and providing training and professional development opportunities for staff in school.

Our coaches Jordan and Josh will also be running one club each so that children have extra-curricular sports opportunities at Watermoor.

Jordan will be in school every Monday afternoon teaching PE in EYFS and Year 3, and Josh will be in every Tuesday teaching PE in Year 2 and Year 5. We hope that all classes will benefit from their coaching throughout the school year.

## Free School Meals

To find out whether your child is eligible for Free School Meals, please follow this link:
