

BBC 500 Words Competition

500 Words is open for entries! Make sure you submit your stories before 9pm, Friday 7 November. Children are encouraged to write a story at home that they would love to read themselves.

There are two age categories: 5-7 and 8-11 year-olds and spelling, punctuation and grammar are not marked - as has always been the case for 500 Words, it's all about our writers' brilliant creativity!

There are **prizes** to be won - each winner will take home a bundle of books and the gold winners will also win 500 books for their school library.

For more information and to submit your entry, please follow the link:
